I have the honour to forward herewith a copy of letter No.S.I.575 dated 14th March 1939 received from the President of the Mysore Central Co-operative Land Mortgage Bank, Ltd., in the matter of Government issuing instructions to the Officers appointed as Ex-Officio Office-bearers of Land Mortgage Societies, to attend to the work satisfactorily, and of the taking into consideration by the Deputy Commissioners of Districts and the Inspector-General of Registration, of the work done by Ex-Officio Presidents and Secretaries of such Land Mortgage Societies, while confidential reports about the work of the Officers concerned are made to Government and to state that all the Officers of Government are - expected to take special interest ~~interest~~ in all matters connected with the material and moral advancement of the people. As the Land Mortgage Scheme is one fraught with immense potentialities for the good of the agriculturists, I request that instructions may be issued to them to take special interest in the development and proper working of the - Scheme.

With regard to the proposal that the work of these Officers in this direction may be required to be noticed in the Confidential Reports etc., I shall certainly bring to the notice of Government, if the work of these Officers in this connection is not satisfactory. There seems to be no need to send Confidential Reports annually to Government in respect of these Officers.

Letter No.S.I.575 dated 14th March 1939 from the President, The Mysore Central Co-operative Land Mortgage Bank,Ltd.,Bangalore City,to the Registrar of Co-operative Societies in Mysore,Bangalore.

Adverting to your Memo No.8345-46/C.S.dated 18-1-1939, forwarding copy of Government Order No.D.6161-74/L.M.11-38-2 dated 11th/12th January 1939, directing that the arrangement of appointing Revenue Sub-Division Officers and Amildars and Deputy Amildars as Presidents, and Sub-Registrars as Secretaries, ex-officio, of Primary Land Mortgage Societies be continued for a further period of three years, I have the honour to enclose herewith a list of Land Mortgage Societies in which the Sub-Division Officers or Amildars are ex-officio Presidents and the Sub-Registrars are ex-officio Secretaries, and to state that, while I am glad to express my appreciation of the zeal evinced by some of these officers in the working of the societies entrusted to their charge, there are others who are not evincing as much interest in the working of the societies as could be desired. This is evidently due to a feeling among them that this is an item of - gratuitous work which has been thrust upon them and to which they are not bound to devote much time and attention, as it does not form part of their legitimate duties.

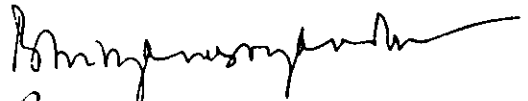

The Land Mortgage Scheme has been started by Government with a view to ameliorate the condition of the agriculturists by lightening their burden of indebtedness; and it must be therefore the duty of all officers of Government - particularly the Revenue Officers who are interested in, and responsible for, the welfare of the agriculturists in their jurisdiction - to give all possible help and co-operation in the working of the scheme. I therefore request that you will be so good as to address Government on the subject so that needful instructions may be issued by them in the matter of the Revenue Officers and Sub-Registrars taking particular interest in the working of the Land Mortgage Societies in their charge. I would also suggest, for the consideration of Government, that the work of the Revenue Officers in connection with the working of the Land Mortgage Scheme may be required to be noticed in the Confidential P.T.O.

Dear Mr. Anantaraman

I send herewith, for your perusal, copies of two letters that I have sent to the Registrar of Co-operative Societies - one urging the appointment of a special Officer of the grade of Deputy Registrar to give sole attention to the working of the Land Mortgage Scheme in the State, and the other requesting the issue of instructions to all - Revenue Officers and Sub Registrars who have been appointed as Ex-officio Presidents and Secretaries of Land Mortgage Societies to take particular and personal interest in the working of the Societies. I request that you will kindly have both matters promptly dealt with and necessary orders issued thereon early by Government.

Yours sincerely,

Letter No. S.I. 581 dated 16th March 1939 from the President, Mysore Central Co-operative Land Mortgage Bank Ltd., Bangalore City, to the Registrar of Co-operative Societies in Mysore, Bangalore.

I have the honour to state that with the gradual development of the Land Mortgage Scheme in the State, the area of its operations is steadily increasing. At present, there are 35 primary Land Mortgage Societies with jurisdiction over 36 taluks and sub-taluks, and with a staff of eight special Land Mortgage Inspectors sanctioned by Government to look after them; and the number of the Societies as also of the special Inspectors is bound to further increase in view of the general demand for the extension of the Scheme all over the State. In the Madras Presidency, with about 95 primary Societies and a staff of 29 Sub Deputy Registrars (corresponding to our special Land Mortgage Inspectors), three Deputy Registrars have been specially appointed and deputed by Government to attend to the work of these Societies. Now that we have already got in our State 35 Societies and a staff of eight special Inspectors, and that their number is expected to go on increasing steadily, it is high time that a senior and experienced officer of the Department (preferably an officer of the grade of Deputy Registrar) is specially deputed to give sole and undivided attention to the satisfactory working of the existing Societies as also to the further extension and development of the Land Mortgage Scheme on safe and sound lines in the State. The Officer should work in close co-operation with the President of the Land Mortgage Bank and have full control and supervision over the staff of special Land Mortgage Inspectors sanctioned by Government. I think that such an arrangement is quite necessary for the efficient and satisfactory working of the Land Mortgage Scheme and request that you will place it before the Government for their consideration and sanction.

SIR,

With reference to your letter No.D 9129/L.M. 4-38-4 dated 20th April 1939 requesting for opinion in the matter of work of the Land Mortgage Scheme to be attended to satisfactorily etc., by the Officers of this Department who may be Ex-officio office bearers of Land Mortgage Societies I have the honour to state that the District Registrars who were consulted in the matter have furnished their opinion as follows :-

The District Registrars of Mysore, Tumkur, Hassan and Kadur Districts are of opinion that the work of Sub Registrars as Ex-officio office bearers of Land Mortgage Banks is but a small part of their duties, their work in the Sub Registry Office itself is heavy and it is neither desirable nor fair to determine their promotion on the basis of work done by them in Land Mortgage Societies which is after all an Honorary work. The District Registrars of Bangalore, Kolar and Chitaldrug Districts on the other hand have expressed the opinion that the work of Sub Registrars as Ex-officio Secretaries of Land Mortgage Banks may be taken notice of when sending confidential reports of their work and it should be taken into account in deciding promotions. No opinion has been expressed by the District Registrar of Shimoga on the ground that there are no Sub Registrars in his District who have been appointed as Ex-officio Secretaries of such Land Mortgage Banks.

I have to state that the work of Sub Registrars has considerably increased. They are already discharging their additional work with regard to Record of Rights mutation slips and in furnishing certificates to the Land

Land Mortgage Banks on searches extending it may be for a period of 20 or 30 years. With the introduction of the system of collecting mutation fees their work will be still heavier and they have to cope with heavy work in the registration offices also, and as such, they may not be able to discharge their duties satisfactorily as Honorary Secretaries of the Land Mortgage Banks in cases where pressure of other work may be heavy. In view, however, of the importance of the Land Mortgage Scheme there will be no objection to take into consideration at the time of sanctioning increments to the respective Sub Registrars or when promoting them from the lower to the Upper Grade as the case may be, any report which the Registrar of Co-operative Societies may send to the respective District Registrars about their work. If this arrangement commends itself to Government, it seems to me that it is unnecessary, to send confidential reports annually to Government regarding these officers with respect to this part only of their work. Instructions will however, be issued to the Sub Registrars to take special interest in the development and proper working of the Scheme.

I have the honour to be,
Sir,
Your most obedient servant,
